Billing & rates policies

- Nonrefundable deposits of \$250.00 must be received before scheduling / commencing of any booking or haul out.
- Failure to pay all invoices prior to launch will result in “No cash, no splash” and storage fees etc. will continue to accrue.
- The yard reserves the right to weigh vessels at the time of haul-out for accurate displacement and to measure overall length including protrusions and bill accordingly.
- The yard will do its best to ensure clients are aware of charges prior to executing requests. However, the final responsibility for being aware of charges is with the client and these will be provided by the marina office.
- Periodic charges are payable on a monthly basis on the 1st day of each month and shall become past due on the 7th day of each month at which time it will subject to a 2.5% per month penalty fee.
- Rates are valid from July 1st, 2022 until December 31st, 2022 and are subject to change without notice
